Taruveda bistro offers a range of delectable cuisines representing the culinary cultures of America, Europe & Asia.

About Us

Taruveda saw its inception in 2011 as a small store & spa at The Tree House Resort, Jaipur. A coalescence of the two words “Taru” & “Veda”, Taruveda literally meaning “knowledge gained from trees”, Taruveda started as a mere inkling to further the ambition to conceptualize a brand that discovered its roots in the principles of the “luxurious combine”.

The idea was to showcase luxury, innovation and organics as the omnipresent principles and to give a complete shopping experience to even the most discerning of connoisseurs. In addition to the store, the Taruveda bistro offers a range of delectable cuisines representing the culinary cultures of America, Europe & Asia.
