About Us

I am a professional Artist with an experience of more than 20 years in this field. Over this experience, I was able to build strong relation with my clients (both institutional and retail) and associate (interior designers and architects) across the nation.

I expertise in customizing my artwork according to the needs of my clients in there contemporary interiors and color scheme of the surroundings, including consulting on the placement of the paintings.

I work in categories like Abstract, Traditional (both figurative and trompe l'oeil (illusion paintings)) and occasional wall murals exploring all mediums canvas, paper, oil, water and acrylic paints. My vision is to provide not only customized art for interior designers and my clients but also to build a bond by catering to their emotional and visual delight.
