About Us

Incepted in the year 2004, **Tates Remedies** (ISO 9001:2008 CERTIFICATION - UKAS) Click For Certificate, is one of the leading names engaged in supplying of herbal diabetic solution, herbal supplements, ayurvedic medicines, herbal syrups, ayurvedic herbal supplements. Our herbal medicine to cure diabetics' patients is offered under the brand name Ojamin. These are widely used by individuals and are referred by many doctors. It has been appreciated by our clients due to its non-side effect characteristics.

We have state-of-the-art manufacturing unit that is well equipped with all the latest machines and equipment, which helps us in timely completion of the bulk orders of our herbal medicine. The production processes are supervised by experienced professionals, who have in depth knowledge of the industry. Additionally, we have also been appreciated for the packaging of our medicine. Our dedicated team backed with our modern facilities helps us to meet the bulk demands from the clients. Under the able guidance of our owner, **Mr. Prakash Tate**, we have achieved a remarkable progress in our industry. We use accurate composition of herbs and shrubs for the production of our herbal medicine.
