About Us

The people who make up the team at Tathwa Group embody our values of strength, performance and passion. Our employees have strong connections to these ideals, which has contributed significantly to the progressive growth, success and leadership of our company. They have helped us develop the solutions and project methods required to bring innovation, quality and value to the projects we deliver for our clients.

Our greatest competitive advantage is the expertise and passion of our people. We are motivated to achieve the elements needed to provide project success and build structures that will leave a lasting impression for our clients, our society and our communities.
