## About Us

Our core value is to supply a premier range of fresh and hygienic products that are beneficial for our clients based in the food business sector. TakeLitez provides a wide range of products for our clientele, which includes but are not limited to dairies, food processing industries and restaurants. Helmed by a team of young visionaries who put their passion for food into action, TakeLitez manufactures Wheat Crisps, Rice Crisp Balls, Corn Crisps, Soya Chunks, Soya Granules and Soya Flakes with best industry standards in the forefront. The products available with us have all-natural ingredients as the key constituent instead of additives or chemicals. Even the packaging of our products is ultra-modern so as to seal in the freshness. We at TakeLitez constantly thrive to innovate and push the envelope in order to achieve the highpoint of quality food manufacturing business. This is what keeps our research and development teams going and allows us to deliver exceptional products every time. Our product manufacturing process is supervised by expert individuals, who are trained to use a modern line of manufacturing equipment that complies with international quality standards. All our products are processed in our clean, well-equipped manufacturing unit with health and hygiene concerns in the forefront. Find out more by getting in touch with us.
