About Us

Pioneer in traveller-centric advertising in Karnataka, Tejas is another name for innovation. Innovation and ideas backed with statistics have positioned us to catch the attention of the huge chunk of population which is on the move. Today, Tejas has 7 bus terminals and 12 Railway Terminals CCTV network in Karnataka. Data-driven marketing is our forte. Skill and experience have come together to create a platform that will be ideal for showcasing brands. Future plans include train on-board advertising in trains that span across 3-4 states. Our Aim is to be the effective bridge between the traveller and the businesses. Tejas info provides solutions that transform our clients' brands and grow their businesses, making use of cutting edge technology. Clearly, understanding and truly connecting with consumers is key to achieving this objective. Through diversity of background and cultural experience, we achieve diversity of thought and ultimately great ideas and winning solutions.
