About Us

Going beyond the ordinary and leading by example is a common tradition practised at Terracon tiles. No wonder, the company is renowned and revered for its revolutionary concepts, pioneering endeavours and premium products in the construction industry for over five decades. Today, with its rich repertoire in offering unique Floor Tiles, Mosaico, Wall Tiles and Marbles, Terracon tiles has gone to become the most preferred name and the ideal choice of millions of house-holds and the real estate fraternity. An avant-garde at the core, the company has continued to pioneer ground breaking innovations in all its offerings. Ceramic Tiles, Vitrified Tiles, Pavers, Imported Marbles, Engineered Marbles, Intarsia-splendours of inlay marbles and Mosaico- artistic creations in mosaic rendered in stone, ceramic and marbles, for instance. Winning awards for innovation and design is the perfect testament to all of its achievements.
