About Us

Tex Knits India is a pioneer in knitted garment manufacturing and exporting from Tirupur, India with an experience of over 3 decades in the knitted industry. The company was established in the name of **Sivalaya Tex** in 1985 for Knitted products. We are specialized in designing, manufacturing and exporting all kinds of knitted & woven garments. Currently 248 employees are operational in our manufacturing units which are spread over an area of about 10,000 Sq. Feet. Our Vision is to exceed customer's expectations in quality, timely delivery and Competitive cost through continuous improvement and customer interaction . We have all the manufacturing facilities including Cutting, sewing and finishing in the same premises. We at Texknits, make no compromise on the safety of the work force and also helping them maintain their work-life balance. This integrated infrastructure facilitates execution of the planning and target realization more viable in a controlled atmosphere.
