

Textile India

<https://www.indiamart.com/textileindia/>

Textile India wants to showcase the true colour and culture of Rajasthan on a global scale, and make it accessible to one and all.

About Us

Established in the year **2011**, **Textile India** is a leading name in the **manufacturing** of a wide range of **Ladies Kurtis, Ladies Tops, Cotton Kaftans, Cotton Skirts, Ornamented Scarves, Designer Stoles, Woolen Pullovers and Hand Block Jackets**. Every item of ours is accurately designed and huge amount of attention is given to their design and dimension. While manufacturing, special care is taken to ensure these products offer long operational life, comfort in use, easy to maintain light weight and many more.

We are able to bring forth an exclusive range of garments with the aid of our well-equipped infrastructural facility that consists of advanced technology based stitching, embodying and tailoring machines. Moreover...
