About Us

Welcome to **The Bitter Sweet Chocolate Company**. Located at Agra. We are offering an unique assortment of white, dark and milk chocolates with a great variety of creams and taste, which fits into every possible market. Quality in its broadest meaning is a top priority. Our policy has always been to offer the finest quality product, outstanding in taste and flavour and also appealing to the eye.

Great chocolate looks great: it has a shine, a lustre, an apparent freshness, a sharpness, that everyday chocolate just doesn't have. When you taste one of our handmade chocolates, you will immediately notice the clean taste and smoothness of the chocolate, which gives our chocolates their characteristic luxury taste. A taste that is due to the hand making process itself and simply cannot be produced using factory techniques. This is how we do it!
