

The Central Scientific Supplies Co. Ltd.

<https://www.indiamart.com/the-central-scientific/>

Trader of chemicals, lab equipment etc.

About Us

Our lab supplies have a coverage from A to Z including filter papers, blotting or rubber and miscellaneous corks and fittings. Even the lab table and zinc are not excluded since we are committed, traditional lab suppliers. We have in stock Physics, chemistry, Botany, Zoology, Biochemistry, Microbiology and all other scientific goods at fair prices. We are also supplying to hospitals, test labs, Industrial labs and the like for several decades. We enjoy a unique name in such supplies, being pioneers in the field. We are authorised stockiest for Borosil Glassware and we have in stock Indian glassware also. We can supply any quantity within stipulated time for your urgent requirements. Our gregarious presence adds charm among mushroom companies. With ensured quality, our products reach a myriad and our stamp entails after sales service and even replacements when necessary.

Various packings, different manufacturers, the promptness and attention with which supplies are effected all make a difference in our cheerful service and folksy approach.

A trial order will convince you since we carry decades old customers with satisfaction. Please join the family and leave lab supplies and requirements worry to us.
