

The Design People

<https://www.indiamart.com/the-designpeople/>

We specialize in Design services wherein, the consumer and the brand interact one-on-one. Our expertise lies in extending the brand characteristics to the retail.

About Us

We are a boutique brand design agency. We specialize in the areas of Packaging design, Identity design and Retail design. As a team, we have just the right balance of right-brained design creativity and left-brained strategic orientation to provide the branding and design solutions. We have worked with a host of global and home grown brands in the sectors of food and beverages, personal care, technology, services and home care. Currently we are based out of Mumbai with affiliate offices in Delhi and Dubai and are able to deliver successfully anywhere in the world.
