## About Us

Keys Hotels a distinctive part of the renowned Berggruen Group entered the hospitality industry in 2006 and today have twenty-five well established hotels across fourteen locations pan India. We have won over the discerning traveller with our guest-centric approach and by maintaining high levels of excellence in hospitality across all our hotels - meeting and surpassing all expectations. Travel is an integral part of an individual's life; either for business or pleasure, travel has the power to break monotony and add sustenance in our lives. However it can be stressful and strenuous if not well planned. We at Keys Hotels ensure that whatever your reason for travel, be it professional or personal, there will never be a dull moment when you stay with us. If you're looking for a location by the sea or in the hills, tranquil temple towns or cosmopolitan cities you can be sure that there will be a Keys Hotel waiting to welcome you. We understand the fast paced lifestyle and the need to sometimes, take it down a notch. Equipped to attend to your every need, whether you're in for a fleeting visit or an unhurried rest stop; we will efficiently serve you, meeting your every expectation and ensuring you enjoy your time at Keys. Our group of hotels offers you an exquisite range of business and banquet facilities that are designed exclusively to satiate the experienced professional palate. Your corporate and...
