About Us

The Leo International was established in **2012** as a manufacturer, wholesaler and exporter of a wide spectrum of metal handicraft items including Candle Holder, Decorative Bowl, Animal Statues, etc. We are a Moradabad (UP) based company, which is known as Mecca of brass and other handcrafted metal products. Our business is in stiff competition with many renowned companies, but over the last five years, we have been working consistently in the business to make things useful for our clients. Our products are manufactured using the best quality materials such as aluminum, brass, copper and others. We procure raw materials from reputed vendors and quality tested on each material that we procure.

Being a quality oriented organization, we give sufficient emphasize on product development and quality analysis on each product we manufacture. We ensure all our products are undergone through various quality tests, resulting into zero defect products passes through our end. Right from the procurement of our raw materials to the delivery of final consignment, we maintain an adequate quality mechanism. We also maintain a smooth transition system, from product development to product delivery.

All our products are made in Moradabad factory with individual attention to each of them. This set up helps us in meeting technical requirements. We are supported by a skilled team of employees who are engaged in the creation of unique and innovative products with...
