## About Us

Welcome to Green Sattva where you'll find... A treasure full of Organic, Natural and Eco-friendly products. We have brands that you'll be familiar with, and some that you won't. We're all about supporting the Indian organic industry and love nothing more than showcasing small Indian businesses, all of whom are passionate devotees of all things organic just like us. We already stock a huge range of Organic, Natural & Eco-friendly products and are constantly adding to them. If you care about better Health, Eco-friendly products and environmental consciousness, then come and shop at the place that cares as much as you do. Green Sattva is passionately committed to the health and well-being of individuals, communities and the planet. In line with this commitment our vision is to make organic, wholesome, ethical food accessible to as many people as possible..
