We “**The Oriental Science Apparatus Workshops**” are a notable and prominent firm that is engaged in **manufacturing** a wide range of **Scientific, Laboratory ,Research, and Educational Instruments** etc.

About Us

Established in the year **1919**, we "**The Oriental Science Apparatus Workshops**" (OSAW) as a pioneer in Scientific, Laboratory and Research Instruments upholds an unmatched success story into manufacturing and exports since 1919 located in **Ambala (Haryana, India)**. We have been sourcing and supplying the Solutions and Instruments to various Educational Institutions, IIT's, NIT's, Engineering Colleges, Research and Development Departments, Defense, Scientific research Laboratories etc. Based on the R&D Inputs or Curriculum Requirements, we have developed many New Experiments for B.Sc. (Physics), Electronics, Electrical and Mechanical Laboratories. By Virtue of our Experience and Commitment, OSAW has not only gained a trust factor but has created milestone journey of 98 years into Scientific Research and Laboratory, which marks us ahead of all competition with precision in our equipment and perfection in our business values, to deliver the best. Bridging the Technical Innovation with Customer's Requirements, OSAW since its inception has created the benchmarks of excellence. Under the headship of "**Mr. Neeraj Garg**" (**Proprietor**), we have gained a remarkable and strong position in the national market. We are exporting our products in **England, Germany, France, Italy, Egypt**. PHYSICS LAB EQUIPMENT

Our Product Range

Biot Savart's Law Set Up

Angstrom Method of Thermal Conductivity

PE Hysteresis Loop Apparatus

OSAW Babinet Compensator

ELECTRICAL LAB EQUIPMENTS

Our Product Range

Osaw Digital Micro Voltmeter

OSAW Senior Kelvin Bridge

OSAW Maxwell's Bridge

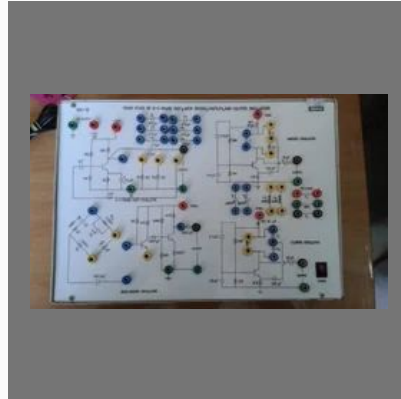

OSAW Wein's Capacitance Bridge Trainer Kit

ELECTRONIC AND COMMUNICATION LAB EQUIPMENTS

Our Product Range

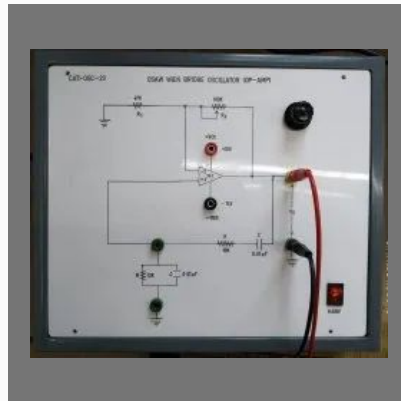

OSAW Regulated Power Supply Using Zener Diode

OSAW Oscillators Training Kit

Thermistor Characteristics Trainer Kit

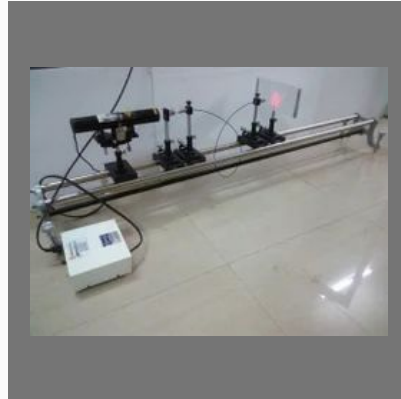

Wein Bridge Oscillator Trainer kit

OPTICAL EQUIPMENT

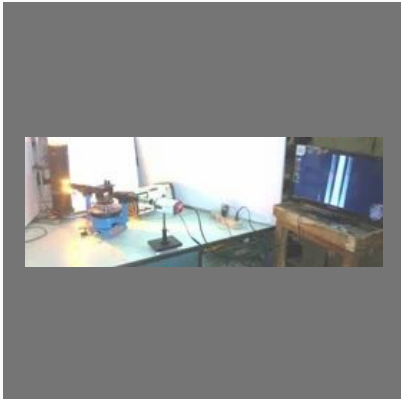

Our Product Range

Osaw Travelling Microscope 2 Axis And 3 Axis Motion

Numerical Aperture of A Fiber

Velocity Of Ultrasonic Waves In Liquids

Osaw Spectrometer

DC VOLTAGE AND CURRENT POWER SUPPLIES

Our Product Range

OSAW UNIVERSAL THREE
OUTPUT DC POWER
SUPPLY (Model No.
DD30202)

3- OUTPUT DUAL
TRACKING DC POWER
SUPPLY

Dual DC Power Supply, 30-0-
30V DC, (2A, 3A, 5A, 10A)

DC Battery Eliminator
Regulated

FOOD GRAIN MOISTURE METER AND SEED DIVIDER

Our Product Range

OSAW Digital Moisture meter with printer

Osaw Universal Moisture Meter

Osaw Digital Moisture Meter

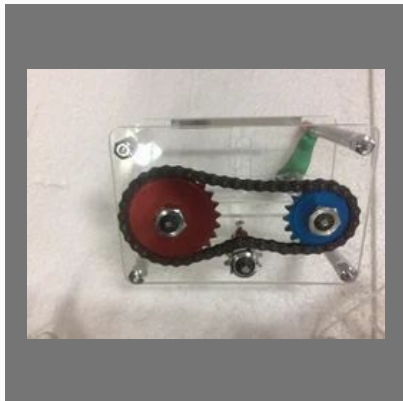

40462-MINI DIGITAL MOISTURE METER (PRO) UNIVERSAL (i Smart Technology)

Model of Gear Drive Spur Gear And Helical Gear

Model Of Slider Crank Mechanism OSAW

Model Of Chain Drive

Mechanical Brake Model

MEASUREMENT AND TESTING INSTRUMENTS

Our Product Range

Osaw Direct Reading Potentiometer

OSAW Industrial Kelvin Double Bridge Setup

Osaw Senior Kelvin Double Bridge Setup

OSAW Slide Wire Precision Potentiometer

OTHER PRODUCTS:

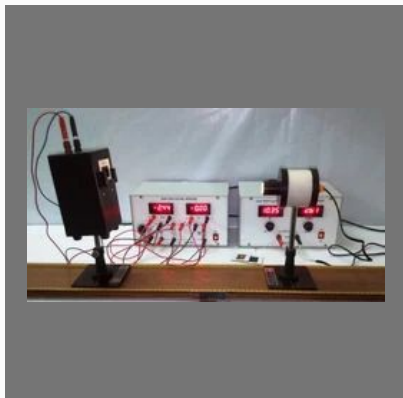

Photo- Electric Effect Apparatus

OSAW Leclanche Cell Resistance Measurement Setup

OSAW LCR-Parallel Resonance Apparatus

Constant Deviation Spectrometer

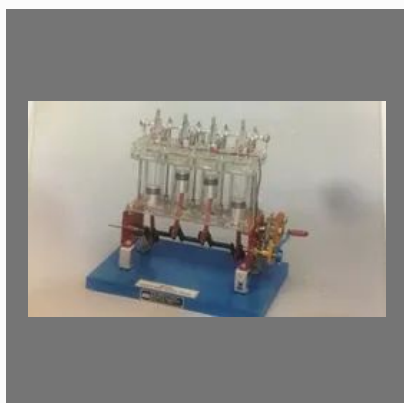

OTHER PRODUCTS:

DC Power Supply 0-30V (2A, 3A, 5A, 10A)

Sample Divider

4 Cylinder Petrol Engine Demonstration Model

Osaw Vernier Potentiometer

Factsheet

Year of Establishment : 1919

Nature of Business : Exporter and Manufacturer

Total Number of Employees : 26 to 50 People
