About Us

The Wolt Techniques, Ahmedabad, established its operations in the year 2013, an ISO 9001:2008 certified company as a manufacturer and supplier of the finest and the most diverse range of Solar Equipment. The offered range, highly acclaimed and asked for, is made up of the finest Small Size Solar PV Modules, Medium Size Solar PV Modules and Large Size Solar PV Modules, which are widely acclaimed and asked for in the market. Manufacturing of this range is done following the set industry guidelines, utilizing the finest raw materials and advanced technology. This ensures the product's performance, service life, capacity and eco-friendly nature. Along with this, the offered range is known to be marked at the most reasonable rate possible.

The highly developed state-of-the-art infrastructural facility at The Wolt Techniques, has been equipped with all the machinery and equipment, needed for the attainment of a number of the firm's goals and objectives, predefined. The facility, for reasons of attaining better management of the firm's operations, has been parted into several highly operational units. For reasons of maximizing our reach in the market and boosting our production capacity, the facility is upgraded on a highly regular basis. Further, our highly ethical work practices have helped us generate a huge client base.

Under the leadership of our highly experienced and skilled Managing Director, Mr. Jitesh Trivedi, we have managed to...
