<https://www.indiamart.com/thealternatefuels/>

Our company is a reputed manufacturer and supplier of products such as Biomass Briquette, Biomass Pellet and many more. Our products are excellent in quality.

About Us

The foundation of our company “**The Alternate Fuels**” was laid with a concrete mission to address the growing demands of our customer from industrial and commercial areas. Based at **Bengaluru, Karnataka (India)**, our company was established in the year **2012**, as a **Sole Proprietorship** based firm since its very establishment. Being into the business of **manufacturing** and **supplying**, we offer products such as **Biomass Briquette, Biomass Pellet** and many more to our valued customers.

These products are processed from high quality raw materials procured from trusted sources of the market. We also offer customized packaging solutions and flexible payments methods to our customers which make our business process convenient. We make timely shipments to our clients' destination and this helps us in attaining their satisfaction.

All corporate activities are being supervised and controlled by **Mr. Manjunath. M. Oli**, he is the **Manager** in our company and with his consistent support we have become able to touch the epitome of success in this competitive business phase. He possesses depth of expertise in his area of specialization and utilizes the best of his knowledge for the growth of the business. To remain at leading position in the industry, he always insists on keeping the product range up-to-dated as per the growing needs of the market. To execute all business activities...
