## About Us

**The Blue Bells English Medium School** was established in the year 2005 under the The Blue Bells Educational Society. Initially it started with 5 children on roll. Today the School has 450 students and classes ranging from nursery to VIII. The School with a team of qualified professionals was built with a vision to impart quality education to children and imbibe the very essence of moral values to build up a complete and confident individual who can face all challenges in life without any deterrence. The Blue Bells School has already started the construction of its new premises at Saleitikra near Reserve Police Establishment, around 5 kms from the main city and 1.5 kms from the upcoming Airport.
