The **Sofa Maker**” is identified as the leading **Manufacturer** of highly durable array of **Corporate Sofa, Designer Sofa, Restaurant Sofa, Sofa Chair, Hotel Sofa, Leather Sofa.**

About Us

We “**The Sofa Maker**” situated at Ahmedabad (Gujarat, India) are reputed organization engaged in **manufacturing and supplying** extremely beautiful collection of **Corporate Sofa, Designer Sofa, Restaurant Sofa, Sofa Chair, Hotel Sofa, Leather Sofa**. As the boundaries merge and world turns into a global village the thin line between art, design & fashion seems to be merging as well. The furniture today cannot be categorized in terms of its origin but in the context of time. Since our origin in the year **2015**, we are providing an excellent range of furniture and kitchen as per the global set standards. The Modular Furniture Industry is always changing-evolving. Business structures and demands change. Workplace demographics change. Work styles change. Furniture must be designed to respond to all of these changes. Design Based Modular Furniture has emerged as an important need in recent years in India. There are several trends percolating in the industry, including the move towards smaller, lighter looking, open and most importantly ergonomic workstations driven by higher real estate costs, and the recent Proliferation of lower-cost yet fully featured products by the manufacturers.
