About Us

We sale those products which are uniquely engineered to provide ceaseless performance thus resulting in complete customer satisfaction.

'Third Eye Communication.' formally 'Security Concept' was promoted by a group of engineers having sound experience behind them in working with leading companies in the field of electronic security. This experience has helped us to offer the perfect customize solutions to the need.

We are proud to introduce ourselves as Importers, Master Distributors, Security & Fire Consultants, System Designers & Integrators for a variety of business protection systems to enable on-line monitoring and controlling the access to various points, providing remote surveillance and perimeter protection.
