About Us

Tirupati Balaji Transport has the legacy, the group and the infrastructure to provide our customers with an unparalleled level of service. It's practice.

It's the individuals behind the trucks and the smooth logistics solutions that deliver our company's consistent focus on meeting your needs. It's the human side of our operations that make us count. We pay attention. We imagine. We care. We're unique, around 25 years old and provide an extensive range of transport services across India, from all capitals to the country's most remote locations. Incorporated in 1991 by a visionary Mr. S.M. Gupta with a very small investment. Tirupati Balaji Transport is sister concern company of Tirupati Balaji Logistics and it is a privately owned freight management company providing an extensive range of services in the field of logistics. From our beginnings operating long distance transport to some of India's most remote territories, While we transport goods all over India, we have always put people first. It's this personal approach that is behind our many successful business partnerships. Our people are trained in the most efficient methods of secure handling. Our people make a formidable team, with a total focus on the specific needs of every customer, large or small. Tirupati Balaji Transport is ideally situated in India's financial capital and its one point of solutions to all Transport and Logistics...
