<https://www.indiamart.com/tjindustries/>

We are highly engaged in the Manufacturing of Prefabricated Structures, Prefabricated Shed, Galvanized Steel Structures, etc. Apart from this, we provide Aluminium Fabrication Service and Steel Fabrication Service for our precious client.

## About Us

Established in **2001**, We “**Tj Industries**” are a leading in **Manufacturing of Prefabricated Structures, Prefabricated Shed, Galvanized Steel Structures, Galvanized Roofing Sheets**, etc. Apart from this, we provide **Aluminium Fabrication Service** and **Steel Fabrication Service** for our precious client. We are incorporated with our dynamic professionals and world-class infrastructure has commenced our journey in a tremendous manner. We have brought products having optimum quality and reliability in terms of materials used in them. Procurement of raw material is done from trusted vendors and also goes through several quality check measures, to yield flawless output. We have always tried to achieve a high-quality level in our offerings so that we could be able to make a safe and secure construction. Supported by diligent experts and with our sound infrastructure, we have been able to make a projection of our name, in the present market.

With the assistance of our Proprietor “**Mr. Saji Joseph**”, we have been able to carve a dynamic position in this domain. Because of his assistance, we have been able to enter a huge number of clients in our client base.
