We are one of the distinguished names engaged in manufacturing and supplying a wide range of Rubber Foams and Sheets. The forms and sheets offered by us are available in various colors, shapes and sizes for our esteemed clients.
About Us

Established in 1990, Saigal Polymers Pvt Ltd are one of the prominent names engaged in manufacturing and supplying a wide range of Rubber Foams and Sheets that includes Rubber Foams, Rubber Sole Sheets, Neolite Sheets, LDPE Foam, Ethyl Vinyl Acetate Foam, Polyethylene Foams and Rubber Soles. All these products offered by us are manufactured using superior quality polyethylene, rubber and cross-linked polymers that provide superlative quality and durability. Along with these products, we also offer Rubber Sole, Sole Sheets, Hawai Chappal, Rubber Sole Sheets for foot wears, micro-cellular LDPE heats & foams and micro-cellular cross linked polyethylene foam.

Available in various shapes, sizes and colors, these foams and sheets are extensively used in automobile, electrical, shoe making and packaging industries. For manufacturing these sheets and foams, we are supported by well equipped infrastructural facilities. These facilities not only ensure flawless production but also help in increasing the rate of production. Under the able guidance of our MD, Mr. Manu Narain Saigal, we have carved a niche for ourselves in the domestic market. His meticulous efforts and in-depth knowledge have helped us in scaling new heights of success.
