About Us

TR Dance Company was founded by Artistic Directors Tanushree Dhaundiyal and Rahul D'lima. TR Dance Company has been established with the vision of providing international and technical standards of dance in India. It is a great base and foundation for young dancers. Once you are at TR Dance Company, you have complete guidance and love from some of the best and most experienced teachers in the country.

TR Dance Company understands the true meaning of the word "service"... the act of doing things for other people. Our Teachers go out of their way to make sure that each individual student feels wanted and is given personal feedback. At TR Dance Company it is a goal to make sure that every student is growing and goes home with a feeling of hope and confidence. We believe in rekindling our student's passion and multiply their loveand then just dance, dance, dance.

TR Dance Company specialises in various dance forms and is a one stop shop for all your dancing needs. Be it choreography, teaching, dance training, corporate shows and class sessions...

The base technique and foundation of all dance forms is universal. They all arise from a 'feeling' which gives the perfect aesthetic to any dance. Classical Ballet and Jazz, Funk, Hip-hop, African, Contemporary, Modern, social dances like Salsa, Jive, etc, Bollywood and Indian Classical forms like Odissi, Bharatnatyam, etc are just some of the forms of dances offered at TR Dance Company.
