About Us

Transmarine Group is an exquisite and leading service provider in the line of freight forwarding. Established in 2011, by the likes of Mr. Shibu John – MD, Mr. Jose Varghese – Director, and Mr. Nanda Kumar – Director, Transmarine was brought into light with over twenty years of experience in the shipping and logistics domain, which came from its founders. Transmarine's services have been centered on its people. Customers form an integral part of our setup, and we have always tried to accomplish their aspirations along with ours. As such, we have always been working to offer customized shipping and logistics solutions to all our partners, such that it meets their needs.

- SHIBU JOHN MANAGING DIRECTOR

With a lot of experience in the field of logistics and shipping, and also knowing the value it provides, the company has put in a huge amount of time in human resources and that has been the core around which its services are based. Over the four years of our workings, we have managed to recruit some of the most skilful professionals in the field, which has allowed us to scale greater heights. At present, we feature a pan India network, along with offices at all important ports of the country. Besides this, we also have an international presence. With extended relationships and tie-ups with a number of strongly reputed companies in the field, Transmarine now serves customers globally, with the capability to meet all...
