## About Us

Tree Of Life - Weaving & connecting different forms of ethnic creations Our endeavor is to translate the rich tradition of crafts into modern utilitarian products. At the Tree of Life, we stimulate your inherent desire to feel & see the different textures & colors that are used with distinct flavours of craftsmanship.

It has been initiated with an ardent desire to revive the dying craft of weaving which is so special & distinctive to North East & other parts of India like the primitive loin weave of Nagaland & the use of Eri silk from Assam to make beautiful shawls & cushion covers with Gicha work.

We deal with:

Handmade quilt bedspreads sourced directly from manufacturers in India, globally admired handmade 'Kantha' styles available in different prints, colors & designs.

Leather & fabric bags made from recycled vintage fabric which provides an employment opportunity to the backward & under privileged while integrating & promoting ancient art forms with modern lifestyle.

The traditional exquisite cane work weaved into modern utilitarian products.

Ethnic/antique wooden and tile furniture which seamlessly blends with both modern & classic settings.

We have been fortunate to travel to most parts of India & feel a sense of responsibility in showcasing the nuances of artistry of diverse traditions to other parts of the country. It is imperative for us to uphold our rich heritage of...
