Treesha Desire has understood the needs of employers in the software industry and identify the skills and knowledge required. We know the variation between the candidate profile and industry requirement.

## About Us

**Treesha Desire Training** Treesha Desire has understood the needs of employers in the software industry and identify the skills and knowledge required. We know the variation between the candidate profile and industry requirement. Our technical experts design, develop and deliver courses to bridge this variation. This variation is filled up by training by the professional from the IT industry who deliver the development methodologies to the students with in-depth technical knowledge.
