About Us

We, **Truba Agro Chemicals** from **2015** are one of the leading organizations involved in wholesale trading a broad spectrum of **Bio Organic Products, Bio Pesticide Products** and many more. All these products are prepared by using only optimum grade ingredients at vendors end. Offered products are highly demanded across the market for their unmatched quality, high purity, long shelf life and accurate composition. Our organization is backed by a team of well qualified and experienced professionals. These professionals are hired on the basis of their knowledge. We have huge vendor base across the market to offer our products in tune with the latest market trend. To make our products qualitative, our vendors use the high quality ingredients. These vendors are popular for giving quality assured products. Apart from this, we are offering these products at very affordable rates. Under the direction of our mentors **Mr. Kuldeep Sharma**, we are able to reach such peak of success in short period of time. He enabled us to satisfy patrons in an effective way.
