# Wang Professionals Private Limited

<https://www.indiamart.com/truchef/>

Wang Professionals Private Limited is a market leader for imported commercial kitchen equipment in the Indian market. Our strengths are the International brands that we represent.

## About Us

Wang Professionals Private Limited is a market leader for imported commercial kitchen equipment in the Indian market. Our strengths are the International brands that we represent and our after sales service, which is at par with the best, if not better.

TruChef, as the name suggests, is our honest endeavor to introduce a range of robust and value for money table top commercial kitchen equipment for our clients. Our Trading brand is **TruChef, Electrolux, Sirman, Santos etc.**

This range complements our existing range of International brands and enhances our offering to our clients.

TruChef shall serve you well, just as Wang Professionals has for close to 2 decades now!

It signifies Tru-Quality & Tru-Price, two essential ingredients for Tru-Value. Our importing country is China.
