# Tusha Textiles Mumbai Private Limited

<https://www.indiamart.com/tusha-textiles/>

We are a known manufacturer, supplier and exporter of a quality assortment of suiting & shirting fabric. Available in standard as well as customized forms, these fabrics are known for fine texture and high tear strength.

## About Us

Established in the year **2002**, we, **Tusha Textiles (Mumbai) Pvt. Ltd.**, are a prominent manufacturer, supplier and exporter of suiting and shirting fabric. Our fabrics are known for their high tear strength, durability and finishing. Owing to the support of our skilled and innovative designers, we have been able to create an attractive range for our clients, situated in UK, India, Latin America, Bangladesh, Portugal, Sri Lanka, Spain, UAE and Vietnam. In order to cater to ever evolving demands of clients, we also source and supply a quality range of gingham fabric. From choosing the raw material till the final dispatch of end product, the quality controllers of our organization abide by quality management program at every stage. To produce a high quality range of fabric, we rely on our sophisticated infrastructure and diligent workforce. Under the guidance of our mentors, **Mr. Tushar Vyas** and **Mr. Shashikant Nanglia**, we have been able to reach a phenomenal height of success. Their valued industry experience and in-depth knowledge have helped us garner a large client base all over the world. Some of our clients are George Asda, Bhs, Sainsbury, Tesco and John Levis.
