## About Us

TVS organics private limited was incepted in june, 2013. TVS organics is one of the sister concerns of TVS group of companies. TVS organics deals with cultivation and marketing of organic fruits and vegetables. Tvs organics was started with the intention of growing organic vegetables and fruits on contract basis from the farmers located in hosur, krishnagiri district of tamilnadu.

Our extension team works closely with the farmers by guiding them properly on organic production methods. Regular interaction and monitoring of farmers is followed. We supply organically grown fruits and vegetables to various buyers located in tamilnadu, karnataka and kerala. We supply vegetables such as tomato, potato, onion, cabbage, brinjal, capsicum, carrot, etc. Fruits like mangoes, sapota, papaya, guava are also supplied. We supply in bulk as whole sale as well as in packed form for retailers.
