About Us

UDAN is formed with intent to extend quality internet experience through advance Super WiFi infrastructure to youth segment. We are focussed in exceeding the expectations of our users and becoming enabler towards bringing unlimited broadband experience to youth segment. Our Vision • To be Top-3 WiFi player in INDIA by 2017 and become partner in developing profitable ecosystem of WiFi services for all stakeholders while meeting end user expectations. Our Mission • To capitalize on growing data demand through our WiFi network and rapidly expand the network to meet most critical locations/markets requiring the added capacity/coverage through WiFi services to maintain the end user experience. To be in position to provide large and profitable complementary and/or alternative internet service platform to strategic partners and retail customers besides opening the platform to content and applications providers in bringing more value of choice to end subscribers.
