

UFM

<https://www.indiamart.com/ufm-bengaluru/>

Providing consultancy services, warehousing services etc.

About Us

The collective experience of key ufm members is upwards of 300 years. Many of the team members have worked in leadership positions in large multinational freight forwarding and logistics companies. The team at ufm has the requisite experience and expertise to support and service large, mid-sized and small businesses and teams major belief is the key factor for customer satisfaction comes from the manifestation of ufm's core delivery strength - "the experience of it all. This belief in adhering to customer experiences beyond just mere verbal assurance translates into a visible edge for ufm? S customers. With this in mind, ufm endeavors to build people skills, processes and systems around client need and requirement.
