About Us

The foundation of our company **Ultimate Fashion Makers** was laid way back in the year **1986** with the vision to manufacture, supply and export of world class Man's Jackets, Ladies Jackets, Mens Leather Coats, Ladies Leather Coats. Aesthetically designed in tune with current fashion trends of national as well as international markets, our products meet the elite taste of esteemed clients. We are based in Delhi, the national capital of India with plants based at both Delhi & the outskirts with **a turnover over USD 10.00 Million**. We are a professionally managed organization run and promoted by Dynamic & young management.

We are efficiently headed by **Mr. Gajinder Singh and Mr. Nirmohan Singh**, who have more than 20 years of extensive experience in the Leather and Ready-made Garments industry. Quality and Creativity are the major fortes of our organization, which have enabled us to reach the present sky scraping eminence in this market. Well equipped sophisticated manufacturing unit assists us to churn out the zero defect leather jackets, which rule the fashion world through their stylish designs. Customization, economical prices and on-time delivery are the other key strengths, which have paved our way in today's highly competitive market scenario.
