Ultra Instruments & Control

<https://www.indiamart.com/ultrainstrumentscontrol/>

We “**Ultra Instruments & Control**” are a leading **Manufacturer, Wholesaler, Trader and Retailer** of a wide range of **Blow Moulding Machine, Human Machine Interface, Injection Moulding Machine, etc.**

About Us

Established in the year **1994**, **Ultra Instruments & Control** is a leading organization engaged in **manufacturing, wholesaling and trading** a broad plethora of **Blow Moulding Machine, Human Machine Interface, Blow Moulding Controller etc.** In their development process, we assure that only top notch basic material is used by our professionals along with ultra-modern tools and machinery. Besides this, we check these on a variety of grounds before finally shipping them at the destination of our customers. We have developed for ourselves a huge and well facilitated infrastructural set up which is equipped with all the latest tools, technology and machinery. Our facility is divided into a number of departments. Working in close coordination with each other, all these are headed by their respective managers in order to maintain a friendly and organized environment at work. Working under the mentorship of **Mr. Samir Shah**, we have acquired a reputed stature in the industry.
