About Us

Founded in 1980 by Dr.R.P.S Virk, one of the pioneer Surgeons in Punjab. Virk Hospital and Maternity Home has been one of the leading advance surgical centres in Punjab. The healthcare verticals of the hospital span Surgery, Minimal Access Surgery, Obstetrics and Gynaecology, Cardiac Care, Urology, Infertility Centre, a fully equipped ICU, Diagnostics, Test Tube Baby Centre.

Virk hospital has been consistently providing excellent services with its dedicated team driven by a thrust to provide the best medical care. Virk hospital added another feather to its cap with Umeed IVF and Fertility Center, One stop destination for all infertility problems including male and female.

Providing full range of state of the art services for the diagnosis and treatment of infertility including IVF. For the 9 million women and 2 million men who are dealing with infertility the process of diagnosis and treatment can be a long, lonely and difficult path.

Umeed IVF and Fertility Center provides a newfound hope for couples by its state of the art clinic, experienced team of doctors and staff. Patients are seen in a caring environment where our main aim is to provide technological excellence, accessibility, personal attention and emotional support. The team Umeed IVF and Fertility Center takes pride in providing about 6000 successful pregnancies.
