About Us

We, '**Umiya Ceramics**', established in the year **1979**, are an eminent manufacturer, supplier and trader of a vast gamut of **Bricks, Minerals & Refractories**. Our exclusive array comprises **Sensil & Hollow Bricks, Burner Blocks, Skew Blocks** and **Sygers**. These have gained immense appreciation from the clients and thus, highly preferred by them. The advanced infrastructure facility inculcated by us is an asset to this organization. It helps us in efficiently carrying out various activities based on production, efficiently and smoothly under one roof. Besides, we have made sure to have it equipped with all the basic amenities and sophisticated machinery required in the designing process, testing and packaging of the products. Our professionals are well acquainted with the latest market trends and ensure that the installed machines are frequently upgraded accordingly. This, in turn, results in the improvisation of the production capacity of these tools, as a result of which, we are able to accomplish and deliver bulk consignments to the clients on time. Besides, we also provide the option of flexible payment modes so that the clients can pay us either by cash, cheque or online. As a result of the above factors, we have been able to garner a huge client base across the domestic market. Our exporting countries are South africa, Keneya, etc. Our knowledgeable and experienced mentor '**Mr. Pradip Patel**'...
