About Us

UMS Tech Labs is the product development division of UMS Consultants, a Google Apps Authorized Reseller and Google Apps Implementation and Migration Specialists. UMS works with small and medium businesses, schools, colleges and universities to help them move on the Cloud. We give our clients a competitive advantage – functional, reliable and flexible computing through on-demand software (SaaS) with significant cost-savings. With a special focus on Educational, Industrial and Media sectors , UMS specializes in consulting its customers in building Custom Strategies to go on the cloud. UMS also develops its own SaaS based products. We are an Agile Company and strongly believe in Innovation, Synchronization and Perfection.
