About Us

Unicare offers a wide range of service solution, from single service to fully Integrated Facility Services (IFS) that combine all of the customer's facility needs.. We offer our services with, in-depth knowledge and expertise, many years of experience in developing new methods, techniques, high level of service management and employee take over skills. Unicare creates synergies based on our management expertise and service delivery experience. And through synergies we aim to maximize resources-optimization and cost-efficiency. Synergies can be obtained through the combination of management and service delivery from one supplier Unicare Integrated Facility Services is a partnership that helps our customer reduce and focus on their core business. The Partnership evolves from Unicare ability to combine people, methods and management. We believe that each customer has a unique combination of needs. Therefore, the best service solution derives from a pool of values and knows shows which are combined to match each individual customer's needs and requirement
