About Us

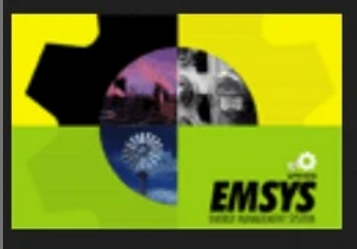

Starting our intended successful operations in 2001, our young and dynamic partnership has been to achieve the aim of making Unico System to stretch its vision to serve our wide and extended requirements of you, our premier customers. Our focused solutions for the telecommunication industry enable us to serve the transmission and distribution industry in multiple dimensions. Our outgrowing potential to understand the key notions for the perfect blend of technology & solutions thereby helping us to deliver the right solutions. Facing the ever-growing competition we stand out for our committed service with our technology driven solutions.
