## About Us

Established in the year **2008**, we, “**Uniforce Security Private Limited**”, are one of the leading organizations, engaged in rendering **Security Services**. Ours is a **Partnership** firm that believes in creating awareness amongst individuals and imparting a sense of social security. We are based at **Mumbai (Maharashtra, India)** and offer specialized **Security Services, Training and Employment Of Security Personnel**. All these services are rendered by experts, who not only have years of experience to their credit but also know how to handle the intricacies involved. We have near about 500 professionals working for us, who act as a team and help us render the aforementioned services in a timely manner. We strive to offer reliable, safe and flexible solutions, while keeping the quality intact. Our expertise allows us to offer unmatched services related to physical security, crisis management & contingency planning and similar fields. We conduct stringent analysis of the physical infrastructure, so as to protect the clients’ assets and offer training courses for their staff. The idea is to help develop effective & optimal operational methodologies, so that the level of security can be enhanced. Nevertheless, being a goal-oriented organization, we continually innovate, based on the inputs of our team and of course the feedback received from our esteemed clients. **Mr. Rackey Berito**, our Director,...
