Expert Consultancy and Liaison Services in India, Entering and Managing Business in India Made Easier, Better, and Profitable, Business Consulting, Civil Aviation

## About Us

Uni-Liais Pvt Ltd, with over 27 years of experience, has been successfully providing end-to-end liaison, consulting, and advisory services across all business sectors and industries in India.

We help foreign businesses and multi-nationals to effectively and efficiently enter and scale Indian marketplace, hassle-free, and cost effectively. Our veteran consultants are highly experienced in liaison with all Indian government ministries, bodies, departments, and agencies, to get you approvals, certifications, permits, licenses, incentives, subsidies, and registrations for any kind of business, in time and budget.

Furthermore, we help you to source equipments, devices, machineries, raw materials, and products, and to connect with relevant vendors, service providers, consultants, and manufacturers in India. In addition, our consultants help you every step of the way to effectively setup, conduct and manage business in India.

Apart from this, our experienced and highly skilled consultants are always on toes to ensure that you may not face any obstacle or dispute in order to earn high profits, and achieve better growth.
