Unique Medicaids

<https://www.indiamart.com/unique-medicaids/>

Trader, Distributor and Supplier of ECG Machines, Patient Monitoring, Stress Test Systems, Bio Medical Equipment & Many More.

About Us

Unique Medicaids got established in the **year 1996** Exclusively for BPL limited Medical Equipments. Presently the firm is into **trading, distributing and supplying** of wide range of medical equipment which include **ECG Machines, Patient Monitoring, Stress Test Systems, Bio Medical Equipment & Many More**. We are operating our business activities with our base in **Basavanagudi, Bengaluru, Karnataka**. The organization is working with a single aim of empowering medical professionals with world class medical equipment used in various procedures of making diagnoses and treatment. Our products are highly reliable and professionals using them never doubt their accuracy. The proven track record shows their great authenticity. While procuring the range we make sure they are made with best grade material and components ensuring greater strength and fine finish. Our clients have been using our offered products and have found them to be exceptionally useful, easy to maintain with long operational life. A major reason behind our astounding success in market is owing to the sharp intellect of **Mr. Sunil Nagaraj (Managing Director)**. He has been managing the affairs of business in most in a very amazing manner. His business knowledge is unparalleled owing to which we do not face problem in any department. Apart from taking care of varied business activities he also provides huge assistance in important decision making and formulating policies for...
