About Us

As a leading Service Provider, established in 2003. We have founded Unique Research & Information Private Limited We specially deals with Market Research and apart from that we are business in promotion and Event Management activities. We offer to our clients to give them fully Satisfaction by our expert team work. For reference, Mr. Virendra Singh has seven years deep experience of Market Research with IMRB. With your co-operation, we want to add more professional value & business relation.

Our service and your satisfaction is our success. We have will, as well as planning and laborious field worker to fulfill your every requirement. We work honestly to make you comfortable. Various versions have evolved over the years, sometimes by accident, sometimes on purpose (injected humour and the like).
