

# Unique Safeguards And Facility Services Private Limited

<https://www.indiamart.com/unique-safeguards-facility-services/>

Backed by vast knowledge and expertise we are engaged as a trustworthy Service Provider of Security Services. Our services are widely accomplished for its quality, timely completion, effective and low cost.

## About Us

Set up in the time of **2014**, **Unique Safeguards And Facility Services Private Limited** are engaged as a **Service Provider** and the main specialist organization of Escorting Services, Housekeeping Services and Security Service. These administrations are known for cost viability, unwavering quality and convenient execution. So as to ensure that our administrations never endure a downside, we have what it takes of competent and experienced experts who plan and actualize the methodologies with the checked level of flawlessness.

We offer arrangements that are client driven and at standard with the best worldwide gauges by utilizing our specialized authority and expansive asset base. We have built an in-house quality-control unit, wherein our offered array is exposed to stringent tests on predefined industry parameters. Moreover, we have a roomy and expansive warehousing unit that causes us to hold our offered range under the protected and secure condition. This warehousing unit is sufficiently extensive to keep the sourced fundamental material and completed beautiful items in a sorted-out way. We pursue moral business strategies and keep up straightforwardness in the dealings that have empowered us to accomplish the most extreme fulfillment of our customers and achieve a place of notoriety in the business.

Driven by intense brilliance and direction of our mentor, **Mr. Sachin Karkhele**, we are capable of accomplishing an...
