About Us

Incepted in the year, we “**Unique Design**” are a prominent company for offering qualitative range of products to the clients. Our product range includes Brown Boat Shaped Handbag, Black White Designer Handbag, Designer Handbag, Rectangular Leather Handbag, Green Fringe Cross Body Bag, Canvas Side Bags, Leather Side Bags and many more. These are prepared by making use of the optimum quality material and advanced machines in compliance with the predefined quality norms and guidelines. Also, before delivery to the clients’ premises, these are tested over the grounds of quality parameters to ensure defect-free range. Owing to our transparent dealings and easy modes of payment, we have made a special position for ourselves. We have a sophisticated infrastructural facility which is well equipped with the high-end machines and latest techniques. It makes us capable of providing the bulk requirements to the clients. We also have established a quality control unit for checking the quality of our offered products. To add more, our offered products are delivered to the clients’ premises within the mutually agreed time period. We follow new techniques and trends for packaging our products to keep them safe from damages during transportation.
