About Us

United Corporation introduces itself as a bulk supplier of wide range of coal. Earlier we were called as Waltair Traders and now we have opened a new firm by the name of United Corporation. We are one dependable name when it comes to supplying high quality coal. We are engaged in catering to diversified needs of various industrial sectors throughout the southern and central part of India covering imports and supply of coal to end users in Power, Steel, Paper, Sugar, Pharma sectors. We also have logistic services, where we have a tie up with several fleet owners on a regular basis in order to deliver our cargo to our customers at the time promised.

With a mission to understand buyer's needs and fulfil their requirements, we supply high quality mineral products at competitive prices. For us, all buyers are the same and we provide standard services to all, regardless of value or volume of the business we do with them. We make sure to be available for our clients round the clock and strive to deliver fast and safe supply of our products. The company has set new paradigms of authenticity that is unsurpassable.
