

United Enterprises

<https://www.indiamart.com/united-enterprises-mumbai/>

United group is the manufactures and exporter of **inorganic, phosphate, fluorine, lithium & copper compounds**. Which form an important ingredient for varying industrial units link foundry, food, textile, pharmaceuticals, aromatics.

About Us

We have etched a resounding name for ourselves as Manufactures, Supplier and Exporter of various kinds of chemicals. Our range includes **Ammonium Compound-** Ammonium Chloride, Ammonium Sulphate, Ammonium Carbonate, Ferrous Sulphate Hepthhydrate, Ammonium Bi Sulphite, **Industrial Chemicals-** Calcium Chloride, Ferric Chloride, Maganese Sulphate, Potassium Nitrate, Potassium Sulphate, **Phosphate Compound-** Di Ammonium phosphate, Di Calcium Phosphate ,Di Potassium Phosphate, Di Sodium Phosphate Dedecahydrate, Mono Sodium Phosphate, Tri Sodium Phosphate, Sodium HexaMeta Phosphate, Sodium Tri Poly Phosphate, **Sodium acetate Trihydrate, Sodium Benzoate, Sodium Butyrate, Sodium Thio Sulphate, Sodium Sulphate, Sodium Formate Crystal, Sodium Nitrate, Zinc Sulphate, Ammonium Bi Fluoride, Ammonium Fluoride, Calcium Fluoride (Fluorsper), Fluoboric Acid, Potassium Fluoride, sodium Fluoride, sodium Fluoborate, potassium Cryolite, industrial Chemicals, sodium Cryolite, Zinc Chloride, Lithium Carbonate in Copper Compounds we offer Copper Sulphate.** Since our inception united group of companies have always strived to be the leading and renowned manufacture / Supplier superior quality by supplying the best quality product at the most competitive rates. We at united group of companies export Inorganic, Phosphate and Fluorine Chemicals and Lithium/ Copper Compounds to far east & others. According to the demand of international standard quality product, good...

PHOSPHATE COMPOUNDS

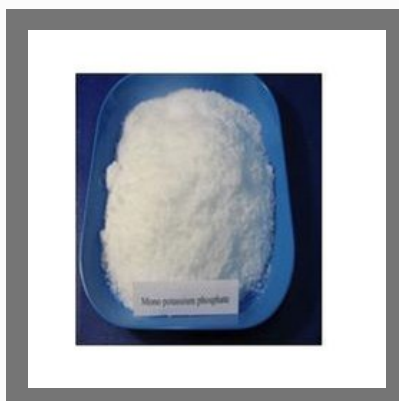

Tri-Sodium Phosphate -
Anhydrous

Tri Sodium Phosphate -
Crystal

Sodium Hexametaphosphate

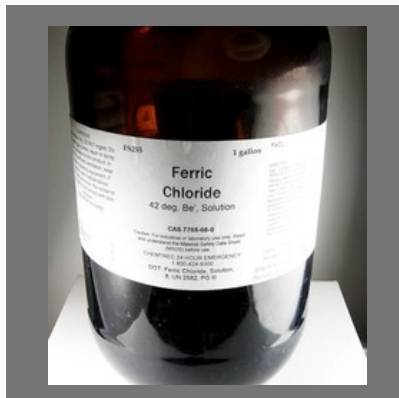

Mono Potassium Phosphate -
Pure

INDUSTRIAL CHEMICALS

Calcium Chloride - Anhydrous

Ferric Chloride - Solution

Calcium Chloride Fused

Calcium Chloride Solution

POTASSIUM COMPOUNDS

Potassium Chloride - Pure

Potassium Chloride -
Technical

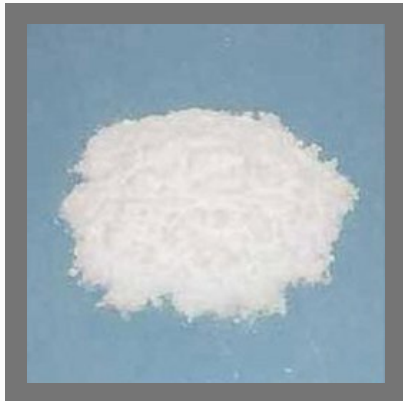

Potassium Chloride

Potassium Sulphate - Pharma

FLUORIDE COMPOUNDS

Sodium Fluoborate

Sodium Silico Fluoride

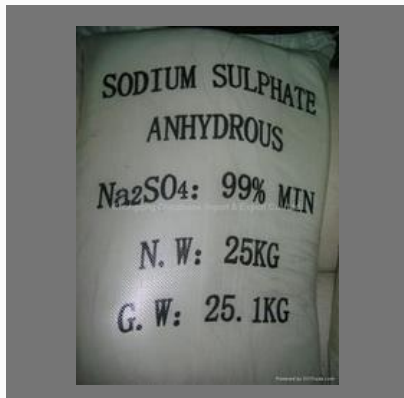

Ammonium Bi Fluoride

Calcium Fluoride (Fluorspar Powder Acid Grade)

SODIUM COMPOUNDS

Sodium Sulphate - Anhydrous

Sodium Acetate Anhydrous

Sodium Nitrate

Sodium Thio Sulphate - Sugar Crystal

SULPHITE COMPOUNDS

Sodium Bisulphite

Sodium Meta Bi Sulphite

Ammonium Bisulphite

Potassium Meta Bi Sulphite

ZINC COMPOUNDS

Zinc Chloride - Anhydrous

Zinc Chloride - Technical Solid

Zinc Chloride - Technical Powder

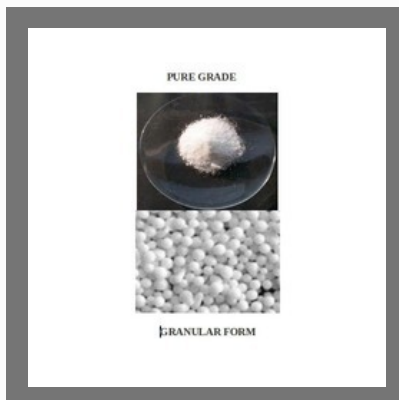

Zinc Sulphate - Heptahydrate

AMMONIUM COMPOUNDS

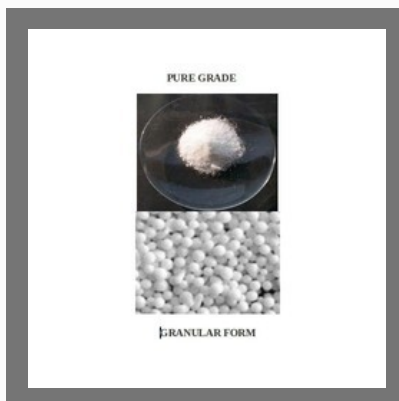

Ammonium Chloride

Ammonium Sulphate

Ammonium Carbonate

Ammonium Acetate

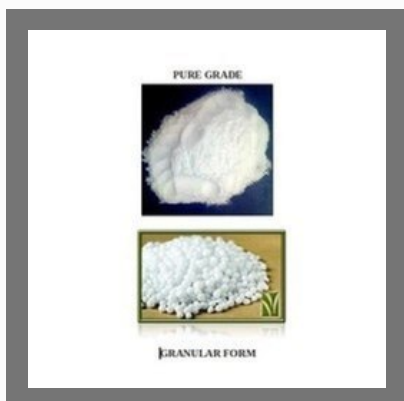

OTHER PRODUCTS:

Sodium Tripolyphosphate -
Food Grade

Ferric Chloride - Anhydrous

Potassium Sulphate - Pure

Fluoboric Acid

OTHER PRODUCTS:

Sodium Thio Sulphate -
Anhydrous

Sodium Sulphite

Zinc Sulphate - Monohydrate

Factsheet

Year of Establishment : 2008

Nature of Business : Manufacturer

Total Number of Employees : Upto 10 People
