United Consultants, United HR Solutions has been the pioneers in introducing systematized **recruitment, selection, counseling and HR services.**

About Us

United Consultants / United HR Solutions Pvt. Ltd, is an HR Consultants Company (Estd. 1986) focusing mostly in “Executive Search” for managerial & top management positions in all disciplines viz finance, marketing, engineering, HR and IT, Maintaining high standards of ethics and fair play has become, our working philosophy, which has helped us to meet our client’s requirements, thus building enduring relationships.

We Care, We Serve.. Together, We Grow.

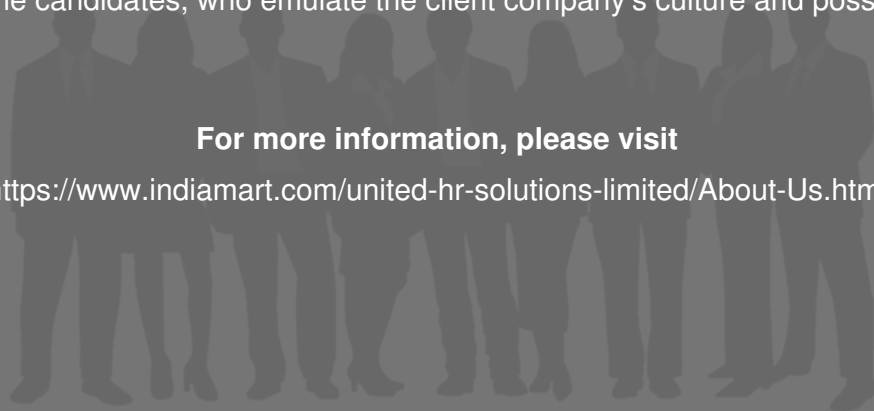

While identifying right people for the right job we specialize in bringing people together through human touch and thus we **MATCH talent to requirement, ambitions to growth and dreams to reality.**

Our Unique Approach

- Understanding clients requirements, in depth, which includes their organizational structure and environment.
- Taking “Ownership of the assignment” i.e. working on it wearing their shoes, and representing the client’s company, honestly and professionally.
- Open communication and transparency with both, clients and candidates. Having equal concern for their interest, ensuring long term association.
- Detailed and carefully structured pre-screening process which includes assessing required skill sets, strengths and weaknesses.
- Short listing the candidates, who emulate the client company’s culture and possess the...
